Public Consultation Invitation

Location: xxxxxxxxxx

Time : xxxxxxxxxxxx

The Royal Mail Group are working towards a redevelopment of the existing delivery office and site in Sutton Coldfield. We would like to invite you to a public consultation event to discuss the proposals for the site.

It is proposed that the site is redeveloped to create a new Royal Mail Delivery Office, to refurbish and bring back into use the Grade II Listed 1879 Railway Goods Shed, and to create a new residential area consisting of 51 houses.

This is your opportunity to view the plans for the redevelopment and to discuss the proposals with the Design Team.
